

What are The Protocols of the Learned Elders of Zion?

The Protocols of the Learned Elders of Zion Explained

Are the Protocols a Forgery?

The document known now as The Protocols of the Learned Elders of Zion is one of the most important documents ever to come to light in the world. It can be described as the blueprint for the domination of the world by a secret brotherhood. In fact, the title of the second publication in 1922 was "World Conquest Through World Government". It is graphic in its contempt for those who will be its victims, in its profound understanding of the human condition and mind; and it is equally graphic in detailing the methodology it will use against, and with the complicity of, the world's population, in such a way as to go unrecognized by the vast majority of the participants.

The Protocols of the Learned Elders of Zion is a document which should be read by all. No other single document provides us with such a clear understanding of why the world is gradually moving towards a One World Government, controlled by an irreproachable hidden hand. In The Protocols, we are given clear insights as to why so many incomprehensible political decisions are made in both local, national and international politics, which seem to continually work against the favor of the masses and in favor of the vested interests of the banking/industrial cartel -- the global power elite. The average person normally reacts with outrage and horror today at the very suggestion that there may be a conspiracy as grand as The Protocols. But the average person has absolutely no information on which to base his or her opinion. The reaction to exposure of this ancient conspiracy is merely a pre-programmed Pavlovian reaction, created and instilled by the very perpetrators of the same ancient conspiracy. And today, very few will dare speak above a whisper

of that all-encompassing oppression of mankind.

It is extremely rare today to find information about the ancient conspiracy, due to the mass censorship of the printed word, and the unwillingness of the general population to consider as a possibility something which they have been brought up since birth to see as outrageous and ridiculous. Each generation is born into a world of greater and greater censorship and illusion.

As you read further, please try to keep an open mind, and realize that your initial reaction has been conditioned over years of newspaper and television exposure. What you're about to read will shock you.

History of the Protocols of the Learned Elders of Zion

In the interests of keeping this explanation brief, I have provided highlights only in the chequered and colorful history of The Protocols. For a more detailed discussion, please refer to the book Waters Flowing Eastward by Mrs L. Fry.

In 1884 the daughter of a Russian general, Justine Glinka, was in Paris obtaining secret political information to be communicated back to Russia. She employed a Jewish assistant, Joseph Schorst, a member of the Miz-raim Lodge in Paris. Schorst offered to obtain for her a document of great importance to Russia, on payment of 2,500 francs. She forwarded the French original, accompanied by a Russian translation, to the Tsar in St. Petersburg, but it was suppressed by those under obligation to wealthy Jews. The Tsar never received it, and Glinka was eventually banished to her estate in Orel.

Glinka gave a copy to Alexis Sukhotin, who showed the document to two friends, Stepanov and Professor Sergius A. Nilus; the former had it printed and circulated privately in 1897; the second, Nilus, published it for the first time in Russia in 1901, in a book entitled The Great Within the Small. At about the same time, a friend of Nilus, G. Butmi, brought a copy to England, where it was apparently deposited in the British Museum on August 10, 1906. [Ed: The British Museum deny ever having received a copy of the Protocols.] Meantime, through Jewish members of the Russian police, minutes of the proceedings of the Basle congress in 1897 had been obtained and these were found to correspond with the Protocols. In January 1917, Nilus prepared a second edition, revised and documented, for publication. But before it could be put on the market, the revolution of March 1917 had taken place, and Kerenskii, who had succeeded to power, ordered the whole edition of Nilus' book to be destroyed. In 1924, Prof. Nilus was arrested by the Cheka in Kiev, imprisoned, and tortured; he was told by the Jewish president of the court, that this treatment was meted out to him for "having done them incalculable harm in publishing the Protocols". Released for a

few months, he was again led before the GPU (Cheka), this time in Moscow and confined. Set at liberty in February 1926, he died in exile in the district of Vladimir on January 13, 1929.

A few copies of Nilus's second edition were saved and sent to other countries where they were published: in Germany, by Gottfreid zum Beek (1919); in England, by The Britons (1920); in France, by Mgr. Jouin in La Revue Internationale des Societes Secretes, and by Urbain Gohier in La Vieille France; in the United States, by Small, Maynard & Co. (Boston 1920), and by The Beckwith Co. (New York 1921). Later, editions appeared in Italian, Russian, Arabic, and even in Japanese.

The Protocols gained widespread recognition upon their translation into English, in 1920. They soon became notorious. Esteemed newspapers such as The Times and The Morning Post (whose Moscow correspondent Victor E. Marsden was responsible in 1921 for the translation used in this document) covered the story in numerous articles, much to the chagrin of world Jewry, who immediately began the propaganda bandwagon rolling. They not only denied that the Protocols were a Jewish plot, but also that there was any plot whatsoever. The latter was quite clearly false to all educated men and women of the time. "Probably so much money and energy were never before in history expended on the effort to suppress a single document." The period of 1920 "marks the end of the time when the Jewish question could be impartially openly discussed in public." (Douglas Reed -- "The Controversy of Zion").

>The Protocols of Zion - Fraud or Genuine?

There have been many attempts to discount The Protocols as a fraud, and the fact remains that there is no documentary proof that the Protocols of the Elders of Zion are what they say they are. Allegations of forgery and fraud have dogged their public history. However, despite many opinions to the contrary, the documents have never been categorically proved to be fraudulent. Besides, why would an anonymous document be forged?& See The Protocols - a Neocon Manifesto. (with thanks to an anonymous emailer, identified only as 'An American').

The fact also remains that since the apparent publication, world events have unfolded exactly according to their description - surely this should be proof enough that a plan such as the Protocols exists?

M. Henry Ford, in an interview published in the New York World, February 17, 1921, put the case for the Protocols tersely and convincingly thus:

The only statement I care to make about the PROTOCOLS is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. THEY FIT IT NOW.

We are gradually being mobilized into a New World Order. The One World

Government is being facilitated by the gradual movement of nation states into larger power blocks such as the European Union and NAFTA etc. The United Nations has come into power as a global police force under the excuse of being a protector and benefactor of the world, exactly as outlined in the Protocols. The Jews have symbolically "returned to Palestine", as the State of Israel now exists as the official universal "homeland" of all Jews, despite the vast majority of Jews having no racial connection with Israel whatsoever. It is my belief that rather than being the plan of Jewish leaders to control the world as many believe, this document is really the Grand Plan to create the One-World Government, Economy, and Satanic religion known as the New World Order. The reason it was written as a thin veneer of a Jewish conspiracy to conquer the world for their Messiah, was so that the document would be thoroughly discredited, and forgotten. Once the vast numbers of the peoples of the world had discredited the Protocols, the Grand Plan could be used quite freely as a blueprint on how to achieve global government, religion, and economy. The Protocols of the Learned Elders of Zion is the most blatantly Satanic document in world history! It systematically lists all the steps that are necessary to establish the New World Order and its ultimate leader. It is obvious that these plans for the establishment of the New World Order are so brilliantly conceived and written, they could only be the work of supernatural Guiding Spirits through Automatic Writing. The Protocols are organized as follows: Blueprint for world domination; Advent of a Masonic Kingdom; A king of the blood of Sion, of the Dynastic roots of David; The King of the Jews will be the real Pope; The world ruler will be the patriarch of an international church. (Hogan, Jean Baptiste, as quoted by Holy Blood, Holy Grail, p. 193.) Let us now examine some pertinent quotes so you may become familiar with the type of plans The Protocols set forth, thus allowing you to more accurately understand why we believe so strongly that the Planned Third World War is almost upon us. Remember, The Protocols are at least 100 years old. Using Terrorism To Keep Governments in Check

"In a word, to sum up our system of keeping the governments ... in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America, or China ..." [Protocol #7 -- World Wide Wars, Paragraph 6]. Is it any wonder that President Bush is now leading America in a global effort against "terrorism"? Is it any wonder that Bush is threatening to "end the states" who sponsor and/or encourage terrorism? A New Age author, Bill

Cooper, stated the final plan to achieve global government another way. He said:

"... the secret societies were planning as far back as 1917 to invent an artificial threat ... in order to bring humanity together in a one-world government which they call the New World Order." [Behold A Pale Horse]

Global Terrorism is obviously the "artificial threat" created to achieve the New World Order. Expect to see more and more warnings and terrorist activities in America.

More Words From The Protocols on Terror

"... The gentiles are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock?... There is another reason also why they will close their eyes: for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties ..... It is not worthwhile to say anything about how long a time they will be kept waiting for this return of their liberties ....."[Protocol #11 -- The Totalitarian State]

Make no mistake about where this War on Terrorism is leading us straight into Totalitarianism! More terror:

"... while the peoples of the world are still stunned by the accomplished fact of the revolution, still in a condition of terror and uncertainty, they should recognize once for all that we are so strong, so inexpugnable, so super-abundantly filled with power, that in no case shall we take any account of them, and so, far from paying any attention to their opinions or wishes, we are ready and able to crush with irresistible power all expression or manifestation thereof at every moment and in every place, that we have seized at once everything we wanted... Then in fear and trembling they will close their eyes to everything, and be content to await what will be the end of it all." [Protocol #11 -- The Totalitarian State]

When Americans stared in sheer terror at the crumbling of the Twin Towers of the World Trade Center and the Pentagon on September 11, they began to close their eyes to everything except what our government and the Mass Media wanted them to believe. Even now, in "fear and trembling, they will close their eyes to everything, and be content to await what will be the end of it all". Just as the Guiding Spirits of The Protocols envisioned, Americans are closing their collective eyes, gladly trading liberties for "promised peace and safety". Ben Franklin's words to this effect seem to ring today with unusual clarity:

"Those who would give up liberties in order to achieve safety deserve neither liberty nor safety".

Still More Words From the Protocols on Terror

... we must create ferments, discords and hostility ... by our intrigues we shall tangle up all the threads which we have stretched into the cabinets of all States

by means of the political, by economic treaties, or loan obligations. In order to succeed in this we must use great cunning and penetration during negotiations and agreements, but, as regards what is called the official language, we shall keep to the opposite tactics and assume the mask of honesty and complacency. In this way the peoples and governments of the gentiles, whom we have taught to look only at the outside whatever we present to their notice, will still continue to accept us as the benefactors and saviors of the human race.

Further, The Protocols of the Learned Elders of Zion, tells us that the citizen will not be able to trust in anything the leaders are telling them! Listen: "The principal factor of success in the political is the secrecy of its undertakings: the word should not agree with the deeds of the diplomat."

We should not be too surprised when the actions of our government cannot be understood - their reasoning is intentionally kept secret from us.

Turning Humanity Upside Down With Their Beautiful and Powerful Rhetoric!

"When we come into our kingdom, our orators will expound great problems which have turned humanity upside down in order to bring it, at the end, under our beneficent rule. Who will ever suspect, then, that all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?" [End of Protocol #13]

President Clinton, aided by Vice-President Al Gore, spent the entire eight years of his presidency expounding such great problems that have "turned humanity upside down". Clinton-Gore propounded Environmental Issues such as Global Warming, Loss of Habitat, Species Extinction, and many other environmental concerns. However, Bush-Ashcroft seized upon their role in the final push for world government -- Global Terrorism. This mantra is continued under President Bush who asserts every day that Global Terrorism has "turned humanity upside down".

The majority of Americans have no idea they have been "stage-managed" according to a "political plan" which has been ongoing now for over two centuries! The American Public Educational System has done its dirty job, of graduating citizens who cannot read or write enough to pay attention to what is going on. Today's citizens are also not schooled in Critical Thinking Skills, and they do not know enough history to realize the trap into which Bush-Ashcroft are leading us! On paper, President Bush has all the dictatorial powers Stalin ever possessed. He simply has not chosen to activate these powers just yet. When people begin getting knocks on their doors at midnight, with arrest orders signed by Homeland Security, they will too late know they have signed their own death warrant. At that time, America's freedoms and Constitutional guarantees, will be

abolished; and all by a Christian, Compassionate, Conservative Republican Administration who waxed hot and heavy rhetorically by saying that our war on Terrorism cannot be waged at the expense of our liberties! How ironic!

Consider this excerpt about the powerful rhetoric that is supposed to accompany this rush toward dictatorship, in the guise of fighting terror. "Moreover, the art of directing masses and individuals by means of cleverly manipulated theory and verbiage, by regulations of life in common, and all sorts of other quirks, in which the [common people] understand nothing, belongs likewise to the specialists of our administrative brain." [Protocol #4]

The Power of a Cooperative Press -- The Mass Media

We must compel the governments of the goyim to take action in the direction favored by our widely conceived plan, by what we shall represent as public opinion, secretly prompted by us through the means of that so-called 'Great Power' -- the Press, which, with a few exceptions, is already entirely in our hands.[Protocol #7]

Every American needs to understand that the entire national press is controlled, and is simply giving you the "news" you are supposed to have. Very soon, all alternative sources of news, including this website, will be shut down. That time draws ever closer.

"In order to put public opinion into our hands we must bring it into a state of bewilderment by giving expression from all sides to so many contradictory opinions and for such length of time as will suffice to make the [average person] lose their heads in the labyrinth and come to see that the best thing is to have no opinion of any kind, in matters political." [Protocol #5]

Now, you know why the Sunday Morning TV programming is full of "Talking Heads" that so fill the airwaves with opinions on everything, so that the average person is completely bewildered as to what is the truth! This type of TV programming was foreseen over 100 years ago in The Protocols of the Learned Elders of Zion.

When you combine the power of Rhetoric, above, with the discussion of the Mass Media role, you can understand better the part of the plan coming up next:

The principal object of our directorate consists in this: to debilitate the public mind by criticism; to lead it away from serious reflections calculated to arouse resistance; to distract the forces of the mind towards a sham fight of empty eloquence. In all ages the peoples of the world, equally with individuals, have accepted words for deeds, for they are content with a show and rarely pause to note, in the public arena, whether promises are followed by performance. Therefore, we shall establish show institutions...

[Protocols #5 reiterated in Protocol #10]

This single paragraph tells us all we need to know about politicians of both parties, as they gradually guide us into the New World Order. They deliberately intend to "debilitate" our minds and to "distract" us through "sham" speeches of "empty eloquence". We certainly have seen and heard enough of this type of speaking to last us a lifetime! You can just put the name of any number of politicians on both sides of the aisle that fit this description. Talk, talk, and talk some more, is the motto of the consummate politician.

Today, the talk is all about Patriotism, blind patriotism. Just as we did with Clinton, so are we doing with Bush today: we are accepting "words for deeds" and "rarely pause to note in the public arena, whether promises are followed by performance". The American people are sheep ready to sheer.

The Press was further supposed to fulfill a very basic need in this plan, the need for continual conflict in order to bring about the planned change. Listen to this portion of The Protocols:

"In the hands of the States to-day there is a great force that creates the movement of thought in the people, and that is the Press. The part played by the Press is to keep pointing out requirements supposed to be indispensable ... and to create discontent." [Protocol #2]. The Press is supposed to keep us in turmoil, because the authors of the Protocol firmly believed that "Conflict Brings About Change, and Planned Conflict Brings About Planned Change" [Hegelian Doctrine, first espoused in 1823, by a Freemason giving Professor Hegel the concept]. Since we are moving, by Plan, toward the calculated change of government -- a global, dictatorial government historically unprecedented in power and repression -- then we need a lot of planned conflict fed us daily.

Wars, rumors of wars, class conflict, and many more tidbits of Bad News floods our consciousness daily. This is the Plan. Establishing a Dictatorship of "Magnificent Proportions"

>"These laws will withdraw one by one all the indulgences and liberties which have been permitted... and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any... who oppose us by deed or word." [Protocol #5 -- Despotism and Modern Progress] What kind of "laws" is this portion of The Protocols foreseeing that will "withdraw one by one all the indulgences and liberties which have been permitted"? The USA Patriot Act and its attendant pieces of attached legislation will prove to be the final undoing of our liberties and Constitutional Guarantees. Mark my word.

Did you catch the kind of dictatorship [despotism] that is planned for every nation?

"... a despotism of such magnificent proportions as to be at any moment and

in every place in a position to wipe out any... who oppose us by deed or word." Soon, the Bush Administration will be moving against their enemies, in the guise of fighting "Domestic Terrorism", and will be attempting to "wipe them out".

On paper, President Bush has demanded, and already received, dictatorial powers. We started hearing of tortures at the hands of the FBI more than two years ago, ["FBI Considers Torture As Suspects Stay Silent", The Times, U.K., October 22, 2001], of detentions without charges, without lawyers, and without the specific names of people detained ["Everybody's Got Their Own Terrorist", by Al Martin.] Even the CIA is getting into the act of spying on Americans domestically [The Christian Science Monitor, December 17, 2001, "CIA expands its watchful eye to U.S."].

The FBI and CIA appear to be joining forces and combining resources to form an American equivalent to the Russian KGB, a most fearsome force against the Russian people for over 70 years of Communist repression.

Since this gradual tightening will parallel Hitler's model, here's an apt quote from a German dissident who was one of the last to be arrested. He said:

When they came for the Jews, I did not speak up, because I was not Jewish.

When they came for the Catholics, I did not speak up because I was not Catholic. And, when they came for me, there was no one left to speak up."

An English translation of The Protocols of the Learned Elders of Zion.
